MESSAGE FROM THE SECRETARY

Dear Friends,

I am delighted to submit the 2019-20 Annual Report of Nav Jagriti. This past year was a watershed moment in our long journey since Nav Jagriti celebrated its silver anniversary and transformed its vision and goals in response to the needs of various communities. The majority of our efforts in North Bihar this year were aimed toward improving the lives of children and women from under privileged areas.

This year was especially notable since new partners joined hands with us and worked on our vision; yet, our initiatives continued to make substantial impacts in the lives of the disenfranchised. We held a number of trainings, workshops and advocacy meetings this year to distribute the knowledge we gathered, compiled and solidified during our work on various initiatives and I am happy to report that we are making substantial progress toward our goal.

Our board's ambition is to have a direct impact on the lives of one million people by 2025 by developing numerous creative techniques to boost the efficacy of our involvement in terms of producing long-term transformations through farmers producer companies and other community-based manufacturing units.

I'd want to thank every member of the Nav Jagriti family, as well as all of our partners, funders, peer organizations, and other stakeholders, for their continued support and belief in our mission of building a better environment for women and children in Bihar's most vulnerable communities.

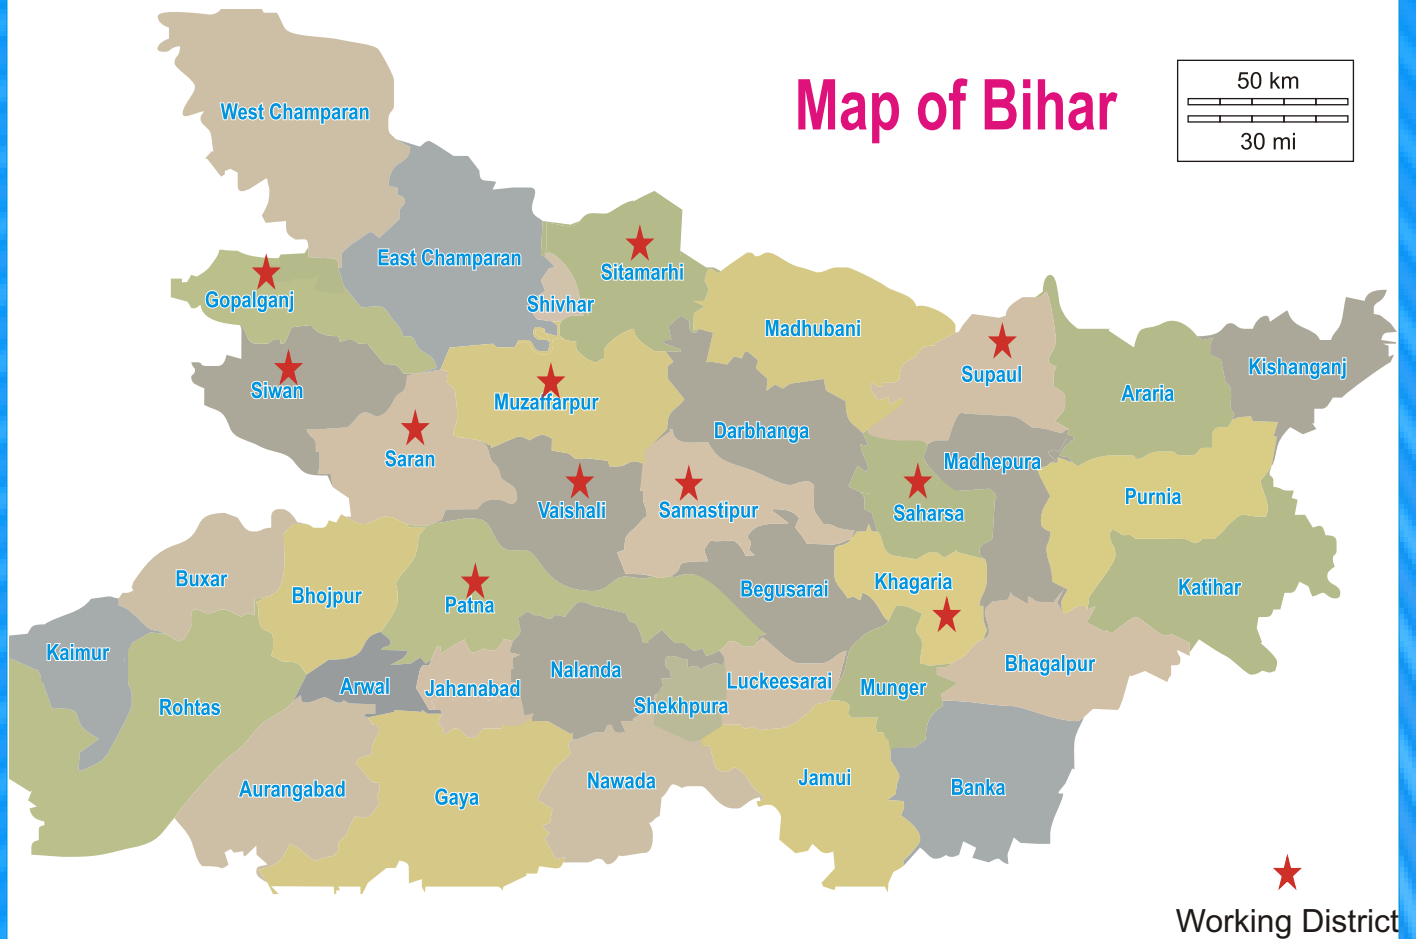

Best wishes,

A handwritten signature in black ink, appearing to read 'Jitendra Kumar'.

(Jitendra Kumar)

Secretary, Nav Jagriti

OUR GEOGRAPHICAL COVERAGE AT BIHAR

We are working with poor communities and vulnerable section of the society in 11 districts across Bihar. These are given below: Supaul, Saharsa, Khagariya, Samastipur, Sitamarhi, Gopalganj, Siwan, Saran, Muzaffarpur, Vaishali, Patna.

OUR APPROCHE

Standards integrated in all organizational and programming components:

Participation

Working with communities, youth and community-based organizations

Inclusion

Taking exclusion and gender inequality through all our Programmes.

Partnerships

Partnering with networks, civil society organizations, international NGOs and the UNDP.

Influencing

Governments, Corporates and foundations.

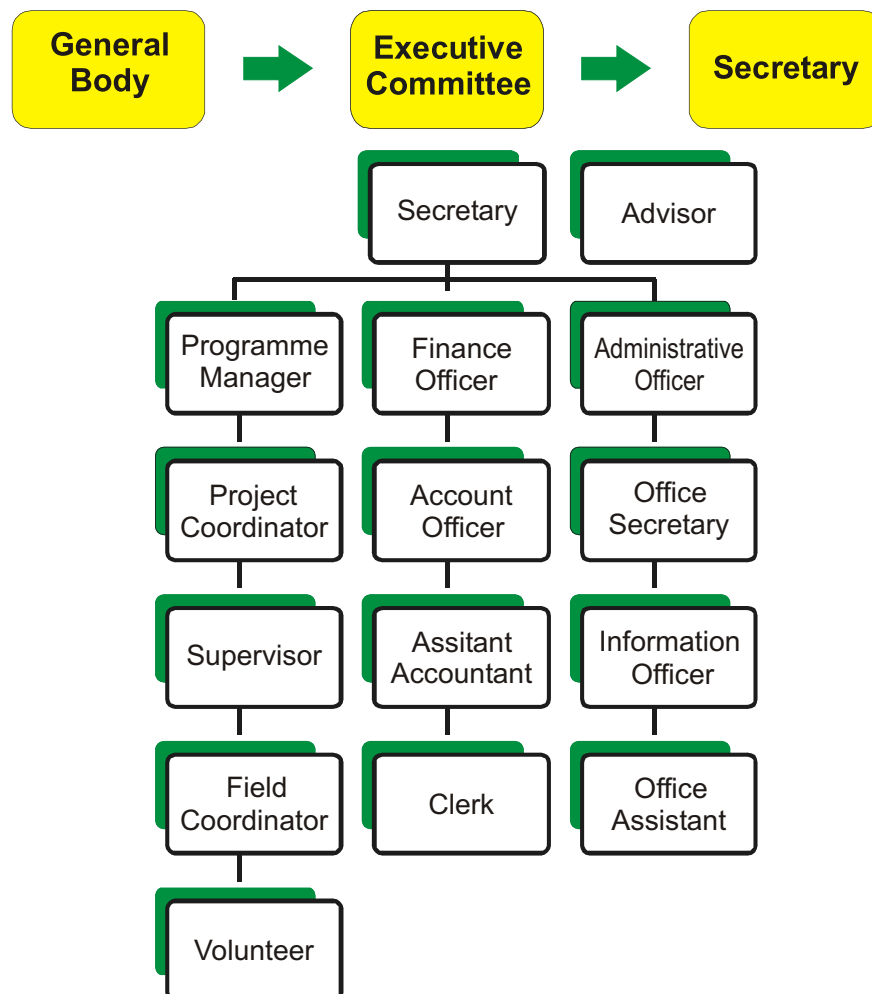

Accountability

Strengthening poor community.

Organization Structure

OUR PROGRAMS

1. Mukhay Mantri Biksha Vriti Niwaran Yojna

PROJECT LOCATION : PATNA

DONORS : GOVERNMENT OF BIHAR

OUR OBJECTIVES:

Mukhay Mantri Viksha Vriti Niwaran Yojna (SAKSHAM) is a society led by the Bihar Government's Department of Social Welfare to protect and promote the rights of the poor and beggars by ensuring their care, protection, development, socio-economic and cultural empowerment through enabling policies and programmes.

KEY ACTIVITES:

- Giving Support to Beggars:
- Shelter: The beneficiary is provided with a safe place to stay in the shelter house.
- Food & Water: The beneficiary receives a sanitary meal three times a day, as well as clean drinking water.
- Toilet and bathroom facilities: The beneficiary is provided with a well-equipped toilet and bathroom facility.
- Bedding: The beneficiary is furnished with a nice quality mattress on which to rest and sleep.

- **Medical facility:** When these beneficiaries become unwell as a result of their poor health, ANM transports them to the hospital for treatment.
- Those who receive assistance begin each day by praying. Additionally, they only participate in indoor games. Beneficiaries manufactured the paper folders, and they did other labour as well, according to their own preferences.

We're teaching them how to write and make paper folders so they won't have to resort to smuggling to get by. We also established contacts with small businesses and people who make a living from home. Nearly fifty benefactors have been found to be connected to the five of yours. In the past year, four recipients have been hired on as employees at Sewa Kutir.

KEY ACHIEVEMENTS:

Registration	Rehabilitation		Livelihood	Other
	Family	Self		
71	20	23	4	6

- Every month, Sewa Kutir connects beneficiaries with their families. This year, 20 beneficiaries have been re-joined with their families.
- Beneficiaries begin their days with a morning prayer. They also play solely indoor games.
They created a paper folder, and other tasks were completed as requested at homes.
The beneficiaries receive a sanitary meal three times a day, as well as clean drinking water.

#2 INSTITUTION BUILDING AND SUSTAINABLE LIVELIHOOD WITH DIGNITY AND HONOUR

PROJECT LOCATION : TRIVENIGANJ (SUPAUL)
DONORS : CASA

OUR OBJECTIVES:

Community Organization, Leadership Building, Capacity Building.

Networking & Alliance building: To Strengthen the block level Federation for tapping the government livelihood schemes.

Advocacy and campaign on livelihood, disaster, rights and entitlement issues.

Gender Mainstreaming: Increase Participation of women from deprived community into social-political and economic aspect.

Mainstreaming LCP/DNH and Working on conflict.

Planning, Monitoring and Evaluation.

KEY ACTIVITIES:

Regular Monthly Meeting with Staff, CBO's, Youth Cadre, Mahila Mandal & Farmers Club and other stake holder.

Meeting with youth cadre.

Orientation on deferent schemes of Central and State Government

Follow up of Kitchen Gardening.

Bi Monthly Meeting of Block Level Federation to empowering them on latest information related to various schemes of social security, Agriculture development.

Liaoning with Government officials.

OBSERVATION ENVIRONMENT DAY 2019.

Training to Progressive farmers on sustainable agriculture and Traditional Farming to reduce the effect of climate change.

Sustainable agriculture and Traditional Farming

Increased of understanding on Climate Change

Soil Treatment and Government Agriculture Schemes.

Interface Meeting at Block and District Level with Federation members and

community on Agriculture development programmes and schemes for landless people.

International Women's Day Celebration.

Economic empowerment and Gender Equality.

Quarterly Review Meeting Programme & Finance.

Two days Workshop on DNH.

KEY ACHIEVEMENTS:

Adoption of Modern Agriculture Technology through Climate change adaptation so that cost of production should decrease and production should increase so that Increase Organic /Manure Fertilizers like Vermin Compost, Hari Khad, Composting etc.

Farmers could gain the knowledge on the techniques of whole year cultivation in their agricultural land.

Farmers became sensitized on the use of Organic compost in their fields and avoid the fertilizers in order to prevent the land being barren.

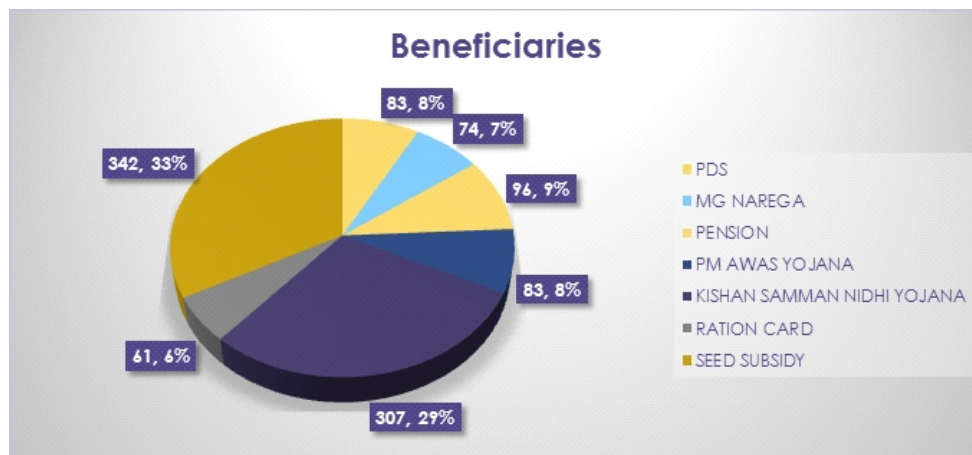

Economic empowerment increases women's agency access to formal government programs, mobility outside the home, economic independence, and purchasing power. Policy makers are suggested to support job training to aid in entrance in the formal markets.

NJ-CASA provided total assistance of -12 Vermi pits in our intervention region, while the community constructed 43 new ones. This is a success. There is a vermin compost pit for household gardening, paddy, and maize. Composting of vermin helps the environment.

Farmers must employ soil testing for the greatest results in agriculture. Farmers can learn about the soil type and how many elements are present in the soil by conducting a soil test. It will be prepared and the soil producing capacity will be boosted.

Table which depicts the number of applicants Vs number of beneficiaries

Sl. No.	Name of Scheme	Application Submit	Total Benifit
1	PDS	317	83
2	MGNAREGA		
3	PENSION (Widow, Disabled, Old Age)		
4	PM AWAS YOJNA

Focus on Toilet construction, submitting the applications of Nal Jal Yojana and Krishi Samman Nidhi Yojana and diagnosing the problem, so that benefits can be given at the right time.

Liasoning with Government Officials

#3 Nayi Zindgi (New Life)

PROJECT LOCATION : Saran (Chapra) District of Bihar

DONORS : Kindernothilfe (KNH)

OUR OBJECTIVES:

- Developments in environment and external conditions with implications on the project.
- To abolish child labor trafficking, prostitution and ensuring the safeguard to the children.
- To increase the awareness among the children (affected as well as non-affected) by engaging there through direct participation in the activities.
- To create informal centres of education that will impart non-formal education to children as well as encourage them to join the formal education.
- To increase the employability of the youth by imparting vocational skills.
- * To ensure economic empowerment of women through formation of self-help groups (SHGs) and sensitizing there on child rights and development issues.
- * To engage stakeholders in the civil society and government institution for effective implementation of the child protection law.

KEY ACTIVITIES:

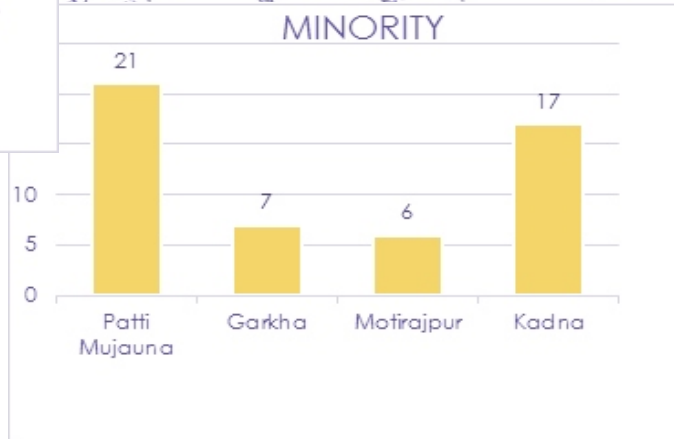

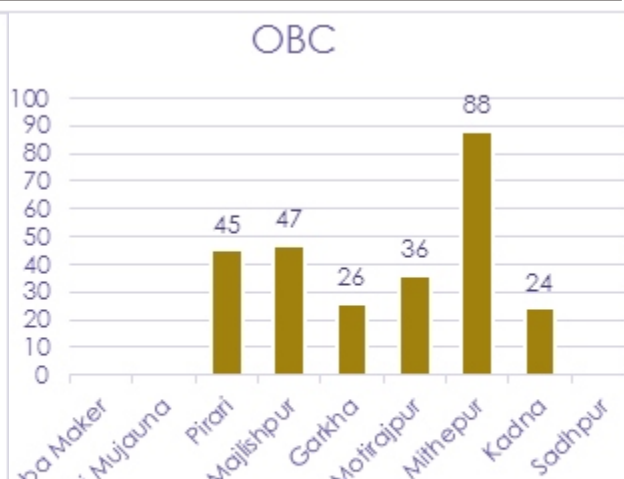

- To effect positive improvements in children's educational levels by raising awareness of child rights and regulations relating to child development, as well as assisting in the prevention of child labour, child marriage, and other atrocities against children.
- Each of the ten project villages has organised a child protection committee (CPC) with at least 15 members to provide training on child rights and child protection problems.
- Two two-day centralised residential training programmes with 30 members of the CPC each were organised with members of the child club, ward members as PRI, ASHA, Sevika from ICDS, Teacher from Govt. School, and Sensitive residents of the village.
- In each village, a kid club of 15 youngsters has been founded. The monthly meetings of kid clubs are held on a regular basis to discuss topics and raise awareness about child issues and solutions.
- Establishment of 10 NFE centres.
- Mainstreaming the children into formal education system.
- One day non-residential training on Right to Education (RTE).

KEY ACHIEVEMENTS:

- As a result of improved stakeholder knowledge, people have been able to end malpractices and mistreatment of children. Child labour, child marriage, and human trafficking have all decreased dramatically.
- 25 staff members are equipped with intervention tools and information in the areas of child rights and protection (trafficking, child labour, and child abuse), which they can put to use in a variety of activities to fulfil project objectives.

- 150 children are aware on child rights as well as act on imparted trainings to avoid themselves from abuse and report in time to parents and other stakeholders.
- 10 committees for child protection are effectively working and doing their duties in accordance with the committee's norms and regulations.
- Ten NFE centres have now been created in ten project villages, with drop-out children and school-aged children enrolling in each of the NFE centres. The following are the details of the enrolled youngsters as reported by the NFE centres:

Village Name	SC	OBC	MIN	GEN	Total	Number of mainstream children in Govt. School
Qusba Maker	70	-	-	-	70	05
Patti Mujauna	56	-	21	3	80	07

Grand Total 833						85

#4 Indian Grain Legume Cluster Development

PROJECT LOCATION : Saran and Siwan

DONORS

: Aga Khan Foundation
Bill and Melinda Gates
Foundation (BMGF)

OUR OBJECTIVES:

- Working with 4000 small farmers in Saran's Manjhi and Rivilganj Blocks, as well as Siwan's Siswan and Raghunathpur Blocks, to develop and execute a package of better pulse cultivation practises.
- Strengthening the pulses value chain by demonstrating an efficient and successful pulse farming strategy in Bihar, with the potential to be replicated in other districts.
- To establish a more suitable policy environment for pulses in the state, a consortium of organisations, a community of practice, for policy and lobbying is being formed.

KEY ACTIVITES:

- To encourage the adoption and improvement of contextually tailored packages of practices for a variety of enhanced pulse crops, taking into account the season and other relevant criteria such as soil condition.
- The formation of farmers' groups, the development of pulses demo plots, the promotion of solar irrigation systems, and a well-designed

package of training and extension activities such as pre-sowing training on specific crops' PoP, village level meetings, on-site assistance, pest and disease management training, post-harvest management capacity building, exposure visits, inter-village exposures visits, and capacitation visits.

- Enhancing the simplicity technique that grades corn, wheat, and pulses to make sure the quality is uniform and high-quality waste products.
- Exploring export markets for pulses.
- Creating a shorting system machine for grading
- Creating strong direct-to-customer marketing chains throughout the organisation.
- In this fiscal year, develop micro-units for pulse processing and production.
- Create the selling points.
- Crop Museum for Green Gram crops.
- Demonstration of Integrated pest managements.
- Protection of wild animals.
- Uses of Small farms equipment in Pulse Cultivation.

KEY ACHIEVEMENTS:

- Saran via FPC - 415 Farmers, 491.5 Kg. Moong Seed, 35.33 acre of covered area and other sources There are 12 farmers in all. a total of 18.1 kilogrammes of moong seed A total of 1.4 acres were sprayed. There were 426 farmers in all, with a combined total of 509.7 kilogrammes of moong seed and a covered area of 36.73 acres.
- Siwan through FPC - 306 Farmers, 563.5 Kg. Moong Seed, and other sources covered an area of 41.73 acre the 18 agriculturists Seeds for 24 kilos of moong. A total of 1.76 acres were covered. There were 324 farmers in total, with 587.5 kilogrammes of moong seed and 43.51 acres of land covered in total.
- Additionally, in both working village districts, totalling 69 pigeon pea demo farmers and 1 urad demo farmer, different themes have also been promoted.
- Under the canopy of the Project, it is more significant to reinforce and scale up the pulses cultivation in Bihar. Hence, to ensure the adoption of the standard Package of Practices of pulses crops, ascertaining of the most effective and efficient way for prevention of wild animals, demonstration of the integrated pest management approach for environment-friendly and cost-effective method and many other improved methods like high yielding varieties of seeds.
- Solar based means of irrigation are cost-effective, very efficient, eco-friendly and user-friendly. It will revolutionise the irrigation segment.
- Solar based irrigation, the project has supported for two new irrigation system one of Manjhi block of Saran District and one of

Raghunathpur block of Siwan district. This will be benefited 68 farmers and their 25 acres of land in Saran district and 106 farmers and their 27-acre land will be irrigated in Siwan district.

Village name (solar irrigation system installed)	Total running hours in this quarter	Total Income in this quarter (Rs.)
At Saran (District) Bhadpa	113	10170
Raghunath Giri ki Mathiya	62	6200
At Siwan (District) Kachnar	32	2880
Narahan	65	6500

- An unique approach for disseminating the relevant message on mobiles of farmers which helps to keep the famers aware for crop advisory, weather up and downs etc. Massage is very use full to farmers for planning their farming.

#5 Child Protection and Participation

PROJECT LOCATION : Saran

DONORS : Plan International

OUR OBJECTIVES:

- To establish Community Based Child Protection Mechanisms, linked to mainstream system which engages children, family and Community to ensure response to child protection issues becomes everyone's responsibility
- To educate and capacitate the peer educators for strengthening the CBCPM
- To capacitate the children and youths on communication skill through comics and theatre training
- To Improved capacity building of duty bearers and sensitized them on CP issues.
- To keep children engaged meaningfully in regular reading a variety of texts, stories and illustrations while in their classrooms and beyond.

KEY ACTIVITES:

- Strengthening govt. Structure, supporting institutional care, RMNCH+ programmers, through advocacy.
- Program to promote behaviour change through different capacity building, sensitizing and proving services.
- Awareness and campaign engaging women, adolescents, children, youths and stakeholders and other govt. Officials.
- Child survival, growth and optimal development.
- Celebration of Adolescents Health Day.
- Child protection and participation.
- Disaster risk reduction and response.
- Capacity Building of stakeholders.
 - Refresher training of ANM, ASHA and AWW.
 - Training of youths/ adolescents/peers Educator on SRH.
- Sectoral Meeting with ANM/ASHA, AWW & frontline workers.

KEY ACHIEVEMENTS:

Improved access to high-quality reproductive, maternity, child, and

adolescent health care that benefit mothers and adolescent girls, particularly those from vulnerable and excluded groups, is supported directly and indirectly through lobbying and policy influence.

- Through a general health check-up (Anemia screening) and referral to counselling and clinical treatment, 2166 teenage girls were directly benefited, with an indirect reach of 11,500 girls in Parsa and Maker Block.
- ANC, immunisation, growth tracking, sanitation and hygiene directly benefited 2488 women, 583 adolescents, and 613 community members.
- Under the Rashtriya Kishore Swasthya Karyakarm's implementation guidelines, 2166 adolescent girls were directly benefited (RKSK).
- A total of 70 AHD units were hosted at AWCs, where Haemoglobin testing was performed, as well as additional counselling and referral to nearby Health Centres for severe cases.
- The use of Sanitary Napkins, IFA, Albendazole tablets, anti-spasmodic tablets, and contraceptives was encouraged and provided. Additionally, people were registered and had their health examined, including anaemia screening for teenage girls and referrals to AFHCs (where they could receive psychological assistance as well as clinical services).
- 2156 women, including pregnant, nursing, and teenage women, were sensitised after the Breastfeeding Week.
- Babies who are exclusively breastfed for six months had fewer ear infections, respiratory illnesses, diarrhoea, and other problems.
- By demonstrating how to utilise, prepare, and how much food to take from the nearby materials in Live Sessions, adolescents were sensitised directly benefiting 607 mothers and 107 staff from ICDS.
- A kitchen garden serves numerous purposes. A kitchen garden provides an easy, reliable, and convenient source of fresh veggies, which are essential for good health. Green veggies are packed with vitamins and minerals that help keep us healthy. 6000 families got the health benefits.
- 146 executive members from 10 schools have received democratic structure training, where all students have the right to equal opportunity, no discrimination, access to all facilities and education.
- To pilot a Digital Learning project that aligns with the government's education system and improves possibilities for high-quality learning while reducing gender inequalities for students from poorer communities.
- Swachhata Sabha for School Girls (MHM) educated 1800 girls from 40 schools on important health issues such as menstrual health management.
- They work to promote adolescent girls' access to and usage of sanitary napkins, as well as to guarantee that sanitary napkins are properly disposed of in an environmentally responsible manner.
- After being sensitised through a week-long session on Global Handwashing Day, 395 youngsters changed their behaviour and adopted new practises.

#6 Support to victims of flood affected family to sustain their lives in future.

PROJECT LOCATION : SITAMRHI

DONORS : Save the Children

OUR OBJECTIVES: Support for flood victims and their families in order to ensure their survival in the future.

KEY ACTIVITES:

Flood-affected beneficiaries are identified by a Household Survey. Establishing the distribution place and timing for relief goods.

Set up four counters: A. Welcome; B. Registration; C. Display; D. Material distribution at the distribution location.

KEY ACHIEVEMENTS:

In front of PRI members, 450 shelter and hygiene kits, as well as food resources, were distributed.

Relief distribution went off without a hitch on the 13th, 14th, and 15th of March. During the COVID-19 lock-down, beneficiaries were pleased to receive a salter kit, mask, sanitizers, and hygiene kits.

Report on Health Camp Programs Organized by Nav Jagriti with the Support from Sitaram Jindal Foundation & Jindal Aluminum

Introduction:-

With the financial support from Sitaram Jindal Foundation, Navjagriti organized health camps with 57 beggars of Sewa kutir in the Patna district of Bihar.

Sewa Kutir is the Beggars rehabilitation home for male beggars run by Navjagriti with the support of social welfare dept. state govt. Of Bihar. Sewa kutir implementation of protection of beggars' rights ,for ensuring their rights we have been providing them with a preventive and protective environmental and committed to generate entrepreneurship skill among them .so far, we have rehabilitated around 324 beneficiaries into their family and linked with livelihood more than 80 beneficiaries on small scale business out of 969 registered beneficiaries in the last eight years .

Objective of the Health Camp:-

To provide free high-quality medical services and health related awareness to the poor and needy person .

Activities :-

we organized health camp on 26 July 2019 with all 57 beggars in the sewa kutir and we do the general health checkup and distribution of medicines.

Case Study-1

Vijay Singh at Sewa Kutir

Vijay Singh, a wonderful example of a Sewakutir, was forced to beg. Worms devoured 90% of the head as a result of the condition. Life would be over if therapy were to be postponed even for a single day. Saksham learned about the beneficiary via Mr Pankaj Sinha, a Lockley employee. The Superintendent of Sewakutir was alerted by Mr Shabhunath Singh, Saksham's Program Manager, that a beneficiary will be taken in from Kankarbag, which is close to Jagdish Hospital.

Mr Amresh Kumar (Home-Superintendent) directed Mr Manendra Kumar (Field Coordinator), Miss Anupma Kumari (Counselor), Anand Purnima (ANM), and Shankar Ram to save Kankarbag's beneficiary (Care Taker). They'd all vanished in the direction of the recipient's lodging. They brought him here after rescuing him from Kankarbag. Mr Amresh Kumar (Home-Superintendent) took action at Sewakutir to clean and cline the beneficiary's body as a result of his worsening condition. A worm fell into his hair when he was shaving his head, and the worm ate 90 percent of his hair. On April 29, 2019, Sewakutir admitted him to PMCH on April 29, 2019, after rescuing and washing him. His admittance to the emergency room swayed the other patient. Vijay Singh was in extreme pain.

Nothing was done by the doctor or nurse to assist the patient in being admitted. Saksham was informed and asked to assist with medical care, according to Sewakutir's superintendent. Mr Abhinash Kumar, State Program Manager, and Miss Ratna Agrwal, District Manager, came to PMCH to speak with the hospital's

superintendent about Vijay Singh's situation. They informed them about the Mukhyamantri bhiksha vriti Niwaran Yojna, which is operated by the Social Welfare Department of the Bihar government. The patient was admitted to the emergency department and treatment began after a conversation with medical personnel.

Sewakutir personnel work as caretakers at all hours of the day and night. The Superintendent visits the hospital on a regular basis and collaborates with doctors and medical staff to improve patient care.

The patient was finally discharged from PMCH on May 8, 2018. Sewakutir is always taking care of that patient and clothing him at PMCH every day. Dr. N.P.

DISCHARGING FROM PMCH

CAME AT SEWAKUTIR

Narayan treats the patient and always offers advice on how to properly set up the patient's diet.

We discovered about Dr. N.P. Narayan's plastic surgery after a recipient's wounds had healed from his stay with him. Suresh Kumar and Anand Purnima (ANM) of Sewakutir are always looking for his clothing toss PMCH patna Miss Anand Purnima (ANM).

The counselling programme at Sewakutir was in full flow. In counselling, the recipient repeatedly states that he is from Karbigahiya-3, Patna. The photo and address were given to the Jakhanpur Police Station in order to hunt for their own family.

When they recovered from their illness, we tracked down their home, and we'd like to see if we can reunite him with his family. During counselling, he wrote a piece in which he conveyed their feelings. The note, which you'll find enclosed, was written by the recipient.

After their residence was identified on November 1st, 2019, sewakutir learned more about their family. Let Vidyapati Singh, the father, was a magistrate in Patan, while his older brother is a lawyer at the Patna High Court.

On November 14th, 2019, Vijay Singh made contact with his family at the Saksham office. All members of the saksham team are there, including director Mr Rajkumar.

मजिस्ट्रेट के बेटे को दी नई जिन्दगी

समाज कल्याण विभाग

पटना | वरीय सहायदाता

राजधानी के 55 वर्षीय विजय कुमार सिंह का सात महीने पहले इलाज नहीं होने की वजह से सिर का 90 प्रतिशत भाग काँड़ा खा गया था। बोलना तो दूर, चलने की शक्ति भी खत्म हो गई थी। एकांकी सरकारी अधिकारी के प्रयास से स्वस्थ होकर वे अब बोल पा रहे हैं। टीक होने के बाद जब सरकारी अधिकारियों को यह पता चला कि यह पटना के कार्यपालक मजिस्ट्रेट के बेटे हैं और खुद पटना विश्वविद्यालय के टॉपर छात्र रह चुके हैं तो उन्हें बकौन नहीं हुआ। आनन-फानन में विजय कुमार सिंह के परिवार वालों से संपर्क किया गया। गुरुवार को परिवार वालों से उन्हें मिलवा दिया गया। भाई से मिलते ही बड़े भाई विनय सिंह और समुर अंगद प्रसाद सिंह की आँखों में खुशियों के आँसू छलक पड़े। समाज कल्याण निदेशक राजकुमार ने बताया कि विजय सिंह की मुख्यमंत्री भिक्षामुक्ति योजना के तहत चलाये जा रहे लेवा केन्द्र में पुनर्वास हो रहा था। कई

परिवार के साथ राजधानी के 55 वर्षीय विजय कुमार सिंह।

गलत संगत में हो गए ड्रग के शिकार

विजय सिंह बीएन कॉलेज से गोल्ड मेडलिस्ट थे। पढ़ाई के दौरान ही गलत संगत में पड़कर ड्रग के शिकार हो गये थे। अधिक नशे का सेवन करने से सिजोफ्रेनिया रोग के शिकार हो गये थे। साल 2000 से बीमारी से पीड़ित थे। उनके तीन बच्चे हैं। बीमारी की वजह से बार-बार घर से भाग जाते थे। तीन बार घर से भाग चुके थे। इस साल जनवरी में पत्नी रीना देवी से जिद करके दुकान गये थे, फिर लौटे नहीं। तीन महीने तक अशोक नगर में भटकते रहे। इसी साल मई में अशोक नगर के एक प्रोफेसर ने समाज कल्याण विभाग को कॉल करके इस बात की सूचना दी थी।

महीनों तक पीएमसीएच में इलाज भी करवाया गया। लगातार काउंसिलिंग और इलाज के बाद ये अब स्वस्थ हो चुके हैं। समाज कल्याण विभाग ने उन्हें नई जिन्दगी दी। अपना घर स्थित सक्षम के कार्यालय में पटना के मजिस्ट्रेट रह चुके स्वर्गीय विद्यापति सिंह के बेटे विजय

सिंह को परिवारके हवाले कर दिया गया। विजय सिंह के भाई विनय सिंह ने बताया कि वह सिजोफ्रेनिया बीमारी से पीड़ित थे। इस साल जनवरी में दुकान से सामान लेने के लिए निकले तो वापस नहीं लौटे। आठ नवंबर को समाज कल्याण विभाग से भाई के जिन्दा होने की सूचना मिली।

Case Study-2

Name	: Manori Devi
Farther's Name	: Kailu Sardar
Education	: Literate
Occupation	: Farming, Social work & Housewife
Caste	: SC
Address	: Village-satgandi, ward no. 10, GP-Barahkurva, PS-Triveniganj, Dist.-Supaul(Bihar)
Designation	: Member of Mahila Mandal a woman based group formed by community in the guidelines of Nav Jagriti

Mrs. Manori Devi is a housewife and a highly hardworking woman who lives in Barahkurva Gram Panchayat. Mr. Kailu Sardar, her husband, is likewise literate and works in Bihar's neighboring state. She's become a member of the Mahila Mandal. She works with a team in their communities, and they actively participate in meetings, seminars, workshops, and other village or block-level events.

She is a very creative woman, and she stated that she was unaware of the group before joining it. She has little understanding of skill development and is unaware of her rights and entitlements. She was part in the process of block lobbying before joining the mahila mandal organization. She attends every gramme sabha and local community meeting on a regular basis, according to women's rights. She claimed that when I was not a member of the group, I never left the house. Prior to joining the company, I was completely reliant on a trusted senior figure. I'm now leaving the house to attend meetings, training, and other organisational events.

She has encouraged herself and decided to teach swing as part of the gender equality and women empowerment initiative. She has had private tailoring training. She works as a seamstress and relies on her earnings to meet the family's basic needs. Mrs. Manori Devi continues to attend all meetings and maintains her membership in the Mahila Mandal. She told the women that through this forum, they have gained awareness and empowerment, and that we are discussing gender, equality, and improvement. Women will not receive their rights and entitlements until they raise their voices for their rights as long as they are unaware. I am grateful to Nav Jagriti, a volunteer organization that works on women's issues. Nav Jagriti continues to keep us informed on our rights, government initiatives and policies, skill development, and women's empowerment. Thank you once more, Nav Jagriti. I'd want to ask the Nav Jagriti team to keep organizing awareness and rights-based programs in the same manner.

Case Study-3

Name : Sapna Kumari
Farther's Name : Sanjeet Kumar Mandal
Education : B.A. continue,
Address : Village-Bishanpur, GP-Daparkha,
PS-Triveniganj, Dist.-Supaul (Bihar)
Designation : Leader in Youth Cadre of Daparkha

Ms. Sapna Kumari is a permanent resident of Supaul District's Triveniganj Block; she comes from a poor family, yet she is a great student who is currently pursuing her STD in B.A. second year, despite her age of more than 22 years. She is an active leader in her village's Youth Cadre group, which is organized according to the Nav Jagriti standards. She has been a member of the community group for a year. She is really enthusiastic about working as a volunteer in her area.

Ms. Sapna Kumari enjoys teaching, therefore she teaches the children on a daily basis. She wants to improve their village's education, so she takes part in every Nav Jagriti-sponsored event. She stated that she is interested in village development activities because her father is a farmer, and that there were many ignorant people in our village previously.

They are offering a lot of knowledge about government schemes, arranging awareness programs on education, rights and entitlements, health and hygiene promotion awareness campaign, and so on, thanks to Nav Jagriti's intervention. They are conscious of the importance of village development, as evidenced by the emergence of numerous community-level associations. In my village, various community level organizations have created under the Nav Jagriti rules. Which one of the Youth Cadre members is working on these topics - youth education, youth involvement, and the future of young, and which one of the Youth Cadre members am I joining as a youth member for the first time during the youth meeting? Then I saw how our youth were heading down a terrible path in their lives.

I am regularly involving in every group's members meeting and community level meetings. She said that her team youth groups are continue volunteering to provide the schooling to the poorest students through the youth group munch. The children who were away from school, she motivated the children to go to school. As the result, most of the children of Sapna's Village are going to school today.

Sapna Kumari enjoys teaching and is committed to continuing to educate and raise awareness among children. She's doing a fantastic job. If each town has a sapna, then our next generation's future is truly bright and beautiful.

AUDITORS' REPORT:

We have audited the attached (**Consolidated**) Balance Sheet of "NAV JAGRITI, VILL. SIKATI, P.O. ANJANI, VIA. PARSA, DISTT. SARAN [BIHAR]" as at 31st March, 2020 and (Consolidated) Income & Expenditure Account as well as (Consolidated) Receipts & Payments Account for the year ended on that date. These financial statements are the responsibility of the management. Our responsibility is to express opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test checking basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well evaluating the overall financial statements presentation we believe that audit provides a reasonable basis for our opinion.

We report that:

- (i) In the case of Balance Sheet of the state of affairs as at 31st March 2020 and,
- (ii) In the case of the Income & Expenditure Account of the Excess of Income over Expenditure for the year 31st March, 2020.
- (iii) In the case of Receipts & Payments Account for the year ended on 31st March 2020.
